Requirements:

- Several CAOs will be conducting EDW training during Acquisition Reform Week 1999. Since EDW is a key reform initiative for DCMC and this training is critical to our success; we need to press on with the EDW training in lieu of other Acquisition Reform Week activities.

DCMC Denver
DCMC Lockheed Martin Denver
DCMC Cleveland
DCMC Atlanta
DCMC Philadelphia ,
DCMC St Louis

- We can not afford any delays in EDW deployment nor the costs of rescheduling training. Please ensure that personnel at these sites continue with EDW training during Acquisition Reform Week.
